Please place the following ad in your next publication.

INTEGRATED WASTE MANAGEMENT PROGRAM SUPERINTENDENT - Inyo County (Eastern Sierra), CA.

Any combination of education and experience that demonstrates the ability to excel in the fulfillment of these job requirements. Typical ways in which the demonstration of experience and education may be satisfied include but are not limited to:

Experience: Three years of administrative and California compliance enforcement experience in the fields of waste management, environmental health, engineering or biology. Experience in federal waste management regulation compliance is desirable.

Education: Graduation from an accredited college or university with a Bachelor's degree in business or public administration, engineering, environmental studies or a related field.

Substitution: Additional qualifying experience may be substituted for the college education on a year-for-year basis.

Salary: \$5410 – 6574/mo. (paid over 26 pay periods annually)

Live and work in an area that offers an excellent quality of life and endless recreational opportunities including fishing, skiing, hiking, climbing, camping, and more. Inyo County offers an excellent benefit package, including CalPERS retirement. Employer pays a portion of employee and dependent monthly premium on CalPERS medical plans; employer-paid dental, vision, and life insurance. For job description and an Inyo County application form, visit <http://www.inyocounty.us>. Must apply on Inyo County application form. **Application deadline: OPEN UNTIL FILLED.** EOE/ADA.
