An act to amend Sections 3017 and 15320 of, to add Sections 4005, 4006, and 4007 to, and to add and repeal Section 4008 of, the Elections Code, relating to elections.

[Approved by Governor September 29, 2016. Filed with Secretary of State September 29, 2016.]

LEGISLATIVE COUNSEL’S DIGEST

SB 450, Allen. Elections: vote by mail voting and mail ballot elections. Existing law requires all vote by mail ballots to be voted on or before the day of the election and requires the vote by mail voter to return the ballot by mail or in person, as specified, to the elections official who issued the ballot.

This bill would require an elections official who receives a vote by mail ballot that he or she did not issue to forward that ballot to the elections official who issued the ballot no later than 8 days after receipt. By requiring an elections official to forward a ballot to the elections official who issued the ballot, the bill would impose a state-mandated local program.

Existing law authorizes cities with a population of fewer than 100,000 persons, school districts, and special districts to conduct an all-mailed ballot special election to fill a vacancy on the legislative or governing body of those entities under specified conditions.

This bill, the California Voter’s Choice Act, would, on or after January 1, 2018, authorize specified counties, and on or after January 1, 2020, authorize any county except the County of Los Angeles, to conduct any election as an all-mailed ballot election if certain conditions are satisfied, including conditions related to ballot dropoff locations, vote centers, and plans for the administration of all-mailed ballot elections. The bill would require the Secretary of State, within 6 months of each all-mailed ballot election conducted by a county pursuant to these provisions, to report certain information to the Legislature regarding that election. The bill would require the county that conducted the all-mailed ballot election to submit to the Secretary of State the information needed for the Secretary of State to prepare the report.

This bill would, on or after January 1, 2020, authorize the County of Los Angeles to conduct any election as a vote center election if certain conditions are satisfied, including conditions related to ballot dropoff locations and vote centers. The bill would, on or after January 1, 2020, authorize the County of Los Angeles to conduct a special election as an all-mailed ballot election pursuant to specified provisions that apply to every county that chooses to conduct a special election as an all-mailed ballot election.
This bill would also require the Secretary of State to establish a taskforce that includes certain individuals to review all-mailed ballot elections conducted pursuant to these provisions and to provide comments and recommendations to the Legislature within 6 months of each all-mailed ballot election or vote center election.

This bill would incorporate additional changes to Section 3017 of the Elections Code proposed by AB 1921 that would become operative only if AB 1921 and this bill are both chaptered and this bill is chaptered last.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

The people of the State of California do enact as follows:

SECTION 1. This act shall be known, and may be cited, as the California Voter’s Choice Act.

SEC. 2. Section 3017 of the Elections Code is amended to read:

3017. (a) All vote by mail ballots cast under this division shall be voted on or before the day of the election. After marking the ballot, the vote by mail voter shall do any of the following: (1) return the ballot by mail or in person to the elections official who issued the ballot, (2) return the ballot in person to a member of a precinct board at a polling place or vote center within the state, or (3) return the ballot to a vote by mail ballot dropoff location within the state that is provided pursuant to Section 3025 or 4005. However, a vote by mail voter who is unable to return the ballot may designate his or her spouse, child, parent, grandparent, grandchild, brother, sister, or a person residing in the same household as the vote by mail voter to return the ballot to the elections official who issued the ballot, to the precinct board at a polling place or vote center within the state, or to a vote by mail ballot dropoff location within the state that is provided pursuant to Section 3025 or 4005. The ballot must, however, be received by the elections official who issued the ballot, the precinct board, or the vote by mail ballot dropoff location before the close of the polls on election day. If a vote by mail ballot is returned to a precinct board at a polling place or vote center, or to a vote by mail ballot dropoff location, that is located in a county that is not the county of the elections official who issued the ballot, the elections official for the county in which the vote by mail ballot is returned shall forward the ballot to the elections official who issued the ballot no later than eight days after receipt.

(b) The elections official shall establish procedures to ensure the secrecy of a ballot returned to a precinct polling place and the security, confidentiality, and integrity of any personal information collected, stored, or otherwise used pursuant to this section.
(c) On or before March 1, 2008, the elections official shall establish procedures to track and confirm the receipt of voted vote by mail ballots and to make this information available by means of online access using the county’s elections division Internet Web site. If the county does not have an elections division Internet Web site, the elections official shall establish a toll-free telephone number that may be used to confirm the date a voted vote by mail ballot was received.

(d) The provisions of this section are mandatory, not directory, and a ballot shall not be counted if it is not delivered in compliance with this section.

(e) Notwithstanding subdivision (a), a vote by mail voter’s ballot shall not be returned by a paid or volunteer worker of a general purpose committee, controlled committee, independent expenditure committee, political party, candidate’s campaign committee, or any other group or organization at whose behest the individual designated to return the ballot is performing a service. However, this subdivision does not apply to a candidate or a candidate’s spouse.

SEC. 2.5. Section 3017 of the Elections Code is amended to read:

3017. (a) All vote by mail ballots cast under this division shall be voted on or before the day of the election. After marking the ballot, the vote by mail voter shall do any of the following: (1) return the ballot by mail or in person to the elections official who issued the ballot, (2) return the ballot in person to a member of a precinct board at a polling place or vote center within the state, or (3) return the ballot to a vote by mail ballot dropoff location within the state that is provided pursuant to Section 3025 or 4005. However, a vote by mail voter who is unable to return the ballot may designate any person to return the ballot to the elections official who issued the ballot, to the precinct board at a polling place or vote center within the state, or to a vote by mail ballot dropoff location within the state that is provided pursuant to Section 3025 or 4005. The ballot must, however, be received by the elections official who issued the ballot, the precinct board, or the vote by mail ballot dropoff location before the close of the polls on election day. If a vote by mail ballot is returned to a precinct board at a polling place or vote center, or to a vote by mail ballot dropoff location, that is located in a county that is not the county of the elections official who issued the ballot, the elections official for the county in which the vote by mail ballot is returned shall forward the ballot to the elections official who issued the ballot no later than eight days after receipt.

(b) The elections official shall establish procedures to ensure the secrecy of a ballot returned to a precinct polling place and the security, confidentiality, and integrity of any personal information collected, stored, or otherwise used pursuant to this section.

(c) On or before March 1, 2008, the elections official shall establish procedures to track and confirm the receipt of voted vote by mail ballots and to make this information available by means of online access using the county’s elections division Internet Web site. If the county does not have an elections division Internet Web site, the elections official shall establish
a toll-free telephone number that may be used to confirm the date a voted
vote by mail ballot was received.

(d) The provisions of this section are mandatory, not directory, and a
ballot shall not be counted if it is not delivered in compliance with this
section.

(e) (1) A person designated to return a vote by mail ballot shall not
receive any form of compensation based on the number of ballots that the
person has returned and no individual, group, or organization shall provide
compensation on this basis.

(2) For purposes of this paragraph, “compensation” means any form of
monetary payment, goods, services, benefits, promises or offers of
employment, or any other form of consideration offered to another person
in exchange for returning another voter’s vote by mail ballot.

(3) Any person in charge of a vote by mail ballot and who knowingly
and willingly engages in criminal acts related to that ballot as described in
Division 18 (commencing with Section 18000), including, but not limited
to, fraud, bribery, intimidation, and tampering with or failing to deliver the
ballot in a timely fashion, is subject to the appropriate punishment specified
in that division.

SEC. 3. Section 4005 is added to the Elections Code, to read:
