

REACTIVATING OUR FLOODPLAINS

Please join Secretary Crowfoot and a diverse panel of experts in a public conversation about efforts to reactivate the floodplains in the Sacramento Valley.

Monday, July 15
12:30 PM to 1:30 PM

California Natural Resources Building
First Floor Auditorium

Presentations will provide an interesting mix of fish and wildlife science, water management policy, and video highlighting multi-benefit projects that reconnect water and land, provide flood protection and create habitat.

PRESENTERS INCLUDE:
