RE: Assembly Bill 246 (Quirk) – REQUEST FOR SIGNATURE

Dear Governor Newsom:

On behalf of the Rural County Representatives of California (RCRC), I respectfully request your signature on Assembly Bill 246. AB 246, authored by Assembly Member Bill Quirk, deals with illegal dumping. RCRC is an association of thirty-seven rural California counties, and the RCRC Board of Directors is comprised of elected supervisors from each member county.

Illegal dumping continues to be a serious problem in many parts of the state, especially in unincorporated rural areas. Local governments spend a considerable amount of money each year responding to and cleaning up illegally disposed waste.

AB 246 allows the Contractors State License Board to take disciplinary action against a contractor for violating state or local laws prohibiting illegal dumping. AB 246 provides another important tool in the toolbox to discourage illegal dumping and punish those who violate state and local illegal dumping laws.

Again, RCRC respectfully requests your signature on AB 434.

Sincerely,

A handwritten signature in purple ink that reads 'Mary-Ann Warmerdam'. The signature is fluid and cursive, with a long horizontal flourish at the end.

MARY-ANN WARMERDAM
Senior Vice President Governmental Affairs
