Golden State Financing Authority
1215 K Street, Suite 1650
Sacramento, CA 95814

Lisa McCargar:

As of the quarter ending 06/30/20, the Golden State Financing Authority's "Camp Fire Rebuilding Incentive" program grant has helped 153 residents in their rebuild efforts. The grant has paid for \$375,597.65 of their costs, which represents 50% of their total permit costs, with a maximum of \$3,500 for each resident.

Attached is a report of the progress the Town of Paradise (TOP) has made in awarding the \$475,000 in the funds granted by the Golden State Financing Authority. This report shows the costs incurred in permit application and issuance fees, and the amount of the grant used for each qualified resident.

Please let me know if you require any additional information.

Respectfully,

Sandi Miller
Sr. Accountant
